Town Municipal Council have resolved to grant a remission of Rs 5844-10-8, being the rental for four months, subject to certain conditions. The D.C recommends sanction to the grant of the remission as resolved by the M.C on 20-2-1947

1) The amount of remission is Rs 5844/10/8 as against the bill amount of Rs 17564/- appears to be on the high side. But it has to be pointed out that the bill amount in this behalf was only Rs 7050/- during the previous year of 1945-46. As such the remission recommended frequently cannot be considered to be much, having regard to the fact that the income has also gone up

2) In the circumstances remission of Rs 5844/10/8 may perhaps be sanctioned for 1946-47

GOVERNMENT OF MYSORE

Subject - Grant of remission of Rs 5644-10-6 to the Mutton Stall Contractors for recouping loss sustained by them during 1946-1947

In continuation of this Office letter of even number dated 5th December 1947 on the above subject, I have the honour to state as follows -

Messrs D Abdul Rasool and C Basha Sab, Mutton-Stall Contractors of the Chikmagalur Municipality for the year 1946-47 preferred their petition dated 9th October 1946 to the Minister for Local Self Government, wherein it was alleged by them that illegal slaughter of Sheep and Goat and sale of Mutton was allowed by the Municipality during the term of their contract It was further alleged that under the cover of a license issued by the Amildar, Chikmagalur Taluk, for the slaughter of sheep and Goats and sale of Mutton at Nagathahalli, a village at a distance of hardly 2 miles from Chikmagalur Town, Mutton was smuggled into the Municipal limits by one Mr Ghouse Sab and they therefore requested for the cancellation of the said license so that such smuggling of Mutton into the Municipal limits to the detriment of the Mutton-stall contractors be put an end to The above petition was referred to this Office for enquiry and such needful action as far as possible or feasible

There were loud complaints against the vendors of Mutton regarding the inflated rates of Mutton contrary to the conditions of sale agreed to by the contractors This was therefore brought for discussion before the Town Municipal Council, Chikmagalur, on 20th February 1947, when it was resolved by the Council that, in view of the representation of the contractors, a remission

of

a remission of Rs 5844-10-8 being the rental for four(4) months be allowed on a specific condition that the vendors should sell the 1st Maund 1947 Mutton at Rs 1-8-0 per Seer of 80 Tolas The Contractors were called upon to execute a Mutchalika to that effect On 11-3-1947, the contractors agreed to the condition imposed by the Council It was therefore resolved by the President that the benefit of the remission should be conceded from the date of sanction

Complaints from the Non-vegetarian Public continued to pour-in In view of the fact that the Contract was for a huge sum of Rs 17564/- as against the contract for Rs 7050/- obtained during the previous year Viz 1945-46, out of keen competition and speculation that prevailed at the time of sale, it was recommended by the President of the Municipality that the remission as resolved by the Council on 20-2-1947, may be given In order to gauge the extent of loss sustained by the contractors, the original accounts of the contractors were required to be verified A statement showing the loss of Rs 8631-12-3 in the Mutton Vending Business has been obtained from the contractors

It is reported by the President that it is rather difficult to say whether Mutton was, subsequent to the resolution of the Council, sold at the rate of Rs 1-8-0 per seer of 80 Tolas, as agreed to by the contractors The accounts of the contractors are stated to have been checked by the Income-Tax Officer, Sharoga Circle The balance Sheet shows a loss of Rs 9097-1-7 on the whole The credit bill dated 17-5-47 issued to the Sub-Division Officer, Chairagalu, shows that Mutton supplied to him was sold at Rs 1-8-0 per seer of 80 Tolas

It is further stated by the President, that the un-authorised slaughter of animals could not be stopped for want of necessary Bye-laws The Bye-laws in this behalf were sanctioned by Government in their order dated 8th March 1948

In the above circumstances, the President, Town Municipal Council, Chairagalu, recommends sanction to the remission of Rs 5844-10-8 as per the resolution dated 20th February 1947 I,

I, therefore, request you kindly to convey the approval of Government to the said resolution of the Municipal Council

Entire file of records together with the petition received from Government accompanied for perusal and return when done with

I have the honour to be,
Sir,
Your most obedient servant,
